Expected June 2023

Champlain College Saint-Lambert, Saint-Lambert,
Québec

High School Diploma

June 2019

École Secondaire Ozias-Leduc, Mont-Saint-Hilaire,
Québec

Professional Summary

I am a technically strong programmer who caters his work approach to his skills. I work well under time pressure to produce good results during quick timeframes and in an efficient manner. I'm a good communicator who loves to teach and help others both for their sake and as a way of furthering my own knowledge. Looking for a Computer Science related job to use my skills and gain professional experience.

Skills

- Python
- Java
- .NET
- C#
- Azure
- SQL
- Fully bilingual
